

Eastman Community Association
Community Amenity Reopening Plan
Eastman Golf Links

We all need to take steps to protect ourselves and our fellow players from the spread of the coronavirus. The first step is self-screening at home for symptoms to minimize the risk of inadvertently spreading the virus to others:

- Do not play if you are exhibiting symptoms of coronavirus as identified by the CDC or have been in contact with someone who tested positive for COVID-19 in the last 10 days.
- You play at your own risk. If you have a serious underlying health conditions, you are considered at higher risk for complications related to COVID-19.

Tee times are not required; however, the names of all players and contact information must be provided to the pro shop for COVID-19 contact tracing in the event a player becomes infected.

Individual who are not fully vaccinated must wear masks to enter The Center at Eastman, including the pro shop and restrooms.

If you would like to make a tee time, visit eastmangolfinks.com or call the pro shop at 603-863-4500.
